

## Switch & Save

WDH has launched Switch & Save - <http://www.switch-save.com> - The site is a quick and easy way to switch your energy provider or tariff to make savings on your bills.

Do your energy bills seem high?

Have you changed your energy provider or tariff in the last two years? Could you be on a cheaper tariff?

**You could be missing out on saving money without realising it.**

To switch you will need to provide the following information:

1. postcode;
2. supplier;
3. tariff name;
4. payment method; and
5. annual usage in kWh

You can get free help and advice at any WDH service access point or by contacting the Cash Wise team who can help you through the process.
